Directions

Using public transport

From Munich airport, take the S-Bahn (suburban train) number S8 or S1 and get off at 'Marienplatz' (city centre). Change there to the underground line U3 in the direction 'Fürstenried West'. See underground description below.

From the central train station, take any S-Bahn (suburban train) in the direction 'Ostbahnhof'. Get off after two stations at 'Marienplatz'. Change there to the underground line U3 in the direction 'Fürstenried West'. See underground description below.

From Munich city centre (e.g. 'Marienplatz') take the underground line U3 in the direction 'Fürstenried West'. Get off at the station 'Obersendling' and leave the station via the exit 'Baierbrunner Straße'. At the street turn left and after about 200 m you will arrive at 'Baierbrunner Straße 33'. Our office is located in the 'Continental Insurance' building on the 1st floor.

Take the suburban line S7 and get off at 'Siemenswerke'. There take the exit 'Baierbrunner Straße'. Turn left into Rupert-Mayer-Straße and go to the next junction (Baierbrunner Str.). Turn right into 'Baierbrunner Straße'. After 100m you will see #33 on the right hand side. Our office is located inside the 'Continental Insurance' building on the 1st floor.

Ticket Information

How you can get the right ticket

The public transport system in Munich is divided into four zones.

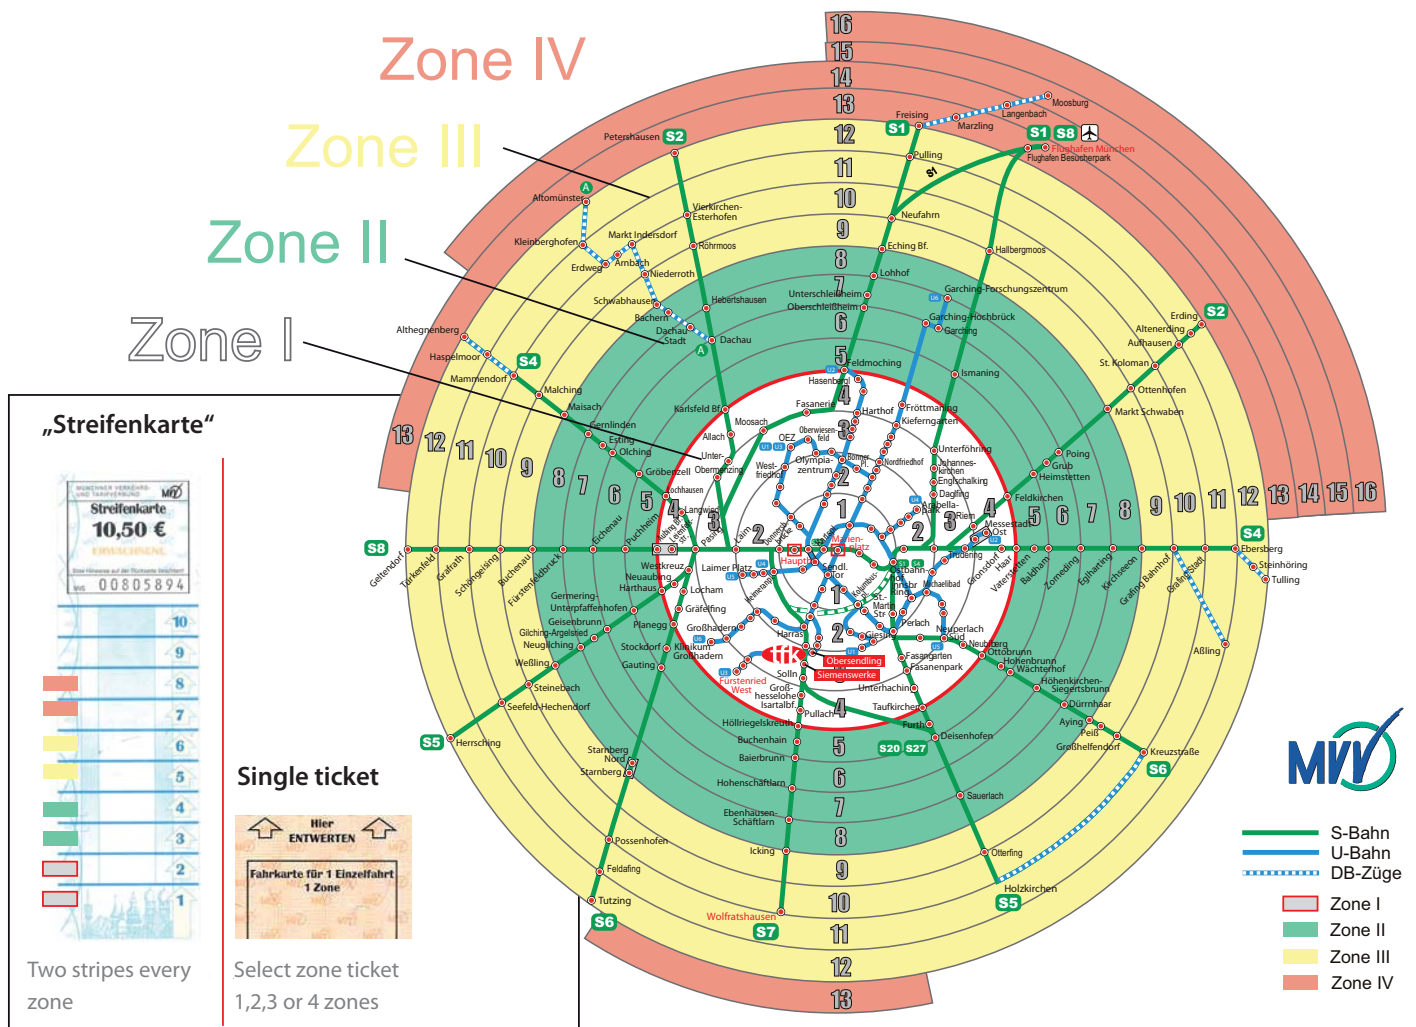

Therefore you have to choose your ticket depending on the zones you are traveling through.

How to proceed:

1. Select the station you are starting from and the destination.
2. Check the number of zones you will travel through.
3. Get your ticket (two options):
 - a) the blue „Streifenkarte“ (two stripes every zone)
 - or
 - b) orange single ticket (zone 1, 2, 3 or 4)

Examples:

Destination	No. of zones
Airport - tffk technologies GmbH	4
Airport - Central station	4
Airport - Marienplatz	4
Central station - tffk technologies GmbH	1
Marienplatz - tffk technologies GmbH	1
